ECAM PRESIDENT'S SPECIAL NOTICE

Paul Shack-
President, ECAM
Board of Directors

Paul Shack has been a driving force behind the advancement of ECAM since 2020. With over 20 years of industry experience, Paul has risen through the ranks to become Vice President of Operations at Nor-Tec Group Ltd. From beginning as a level 1 apprentice, he has worked his way up the ladder as a Journeyman, Site Foreman, Superintendent, Project Manager and Operations Manager within Nor-Tec Group Ltd. Paul Shack has played a pivotal role in advancing the adoption and effective implementation of BIM practices within the construction industry. Alongside his professional accomplishments, Paul actively participates as a Social Committee member.

Manitoba Releases 2027 Construction Tender Schedule

The Manitoba government has released its 2027 construction and material supply tender advertising schedule, providing contractors and industry partners with an early look at upcoming project opportunities.

The schedule includes highway reconstruction, bridge rehabilitation, safety improvements and infrastructure preservation projects across the province. These projects represent continued investment in Manitoba's infrastructure and opportunities for businesses and skilled tradespeople throughout the construction industry.

ECAM welcomes this investment and recognizes the important role electrical contractors and the skilled trades play in supporting safe, reliable and modern infrastructure across Manitoba.
