

ECAM PRESIDENT'S SPECIAL NOTICE

Paul Shack-
President, ECAM
Board of Directors

Paul Shack has been a driving force behind the advancement of ECAM since 2020. With over 20 years of industry experience, Paul has risen through the ranks to become Vice President of Operations at Nor-Tec Group Ltd. From beginning as a level 1 apprentice, he has worked his way up the ladder as a Journeyman, Site Foreman, Superintendent, Project Manager and Operations Manager within Nor-Tec Group Ltd. Paul Shack has played a pivotal role in advancing the adoption and effective implementation of BIM practices within the construction industry. Alongside his professional accomplishments, Paul actively participates as a Social Committee member.

2025 National Model Codes Consultation

Inspection and Technical Services is proposing changes to Manitoba's building, plumbing, energy and fire codes.

The Manitoba government is proposing to adopt the 2025 editions of the National Model Codes, with the changes proposed to take effect June 22, 2027.

Industry members are invited to review the proposed changes and provide feedback during the 30-day public consultation, which runs from September 22 to October 23, 2026.

ECAM members are encouraged to review the proposal and provide feedback.
