

## SLED-ARAMA Ride for Kids February 21, 2025

On February 21, 2025, ECAM hosted the Sled-arama Ride for Kids at Whiteshell Provincial Park, with 50 riders participating in the event.

The ride included a stop at Big Whiteshell Lodge for a hot dog lunch provided by Integra Agencies. After the break, the riders continued to Falcon Lake, where they enjoyed a burger bar at the Falcon Lake Hotel.

Thanks to the support of riders and sponsors over \$8,200 was raised for the Make-A-Wish Foundation. These funds will help children like Pacey, who has undergone 38 surgeries due to health complications related to his digestive system. Despite his ongoing medical challenges, Pacey's wish for a trip to a Florida theme park allowed him and his family to enjoy a week of fun.
