Sam's BUTTERFLY Ball

Our annual Sam's Butterfly Ball, presented by **WFS Wealth & Financial Strategies**, will be held October 9, 2025 at the RBC Convention Centre. Each year, our communities and networks come together to learn about the struggles and triumphs that our Canadian youth face and the impact we can make by funding programs that address these issues.

Many young people are struggling, and we will continue to do all that we can to give them hope and encourage impactful healing. This year, we are expecting approximately 1,500 people in attendance at the Ball, and our reach is continually growing each year.

Hosted by Winnipeg's favourite radio personality, Ace Burpee, you can expect a night filled with compassion, connectivity, and most importantly, change. With the support of our generous donors, we will have an unforgettable live auction, a silent auction and other prizes.

Please visit the links below to view memorable moments from our keynote speakers from our previous years. We encourage you to watch these at a safe time, as there is mention of sensitive and vulnerable topics. Please have your tissue ready!

A message from Sam's Foundation Co-Founder, Brad Mason:

Greetings,

On behalf of Sam's Foundation, I want to extend my profound gratitude to those who generously supported last year's Sam's Butterfly Ball. Thank you so much. Through your support, we raised over \$700,000!

Profits from the event went to both [LiveDifferent](#), bringing support to youth all across the country, including Manitoba's most isolated Northern Indigenous communities; and [Toba Centre for Children & Youth](#), supporting children and youth who have been the victims of abuse and violent crime, helping them in their healing journey.

We are building a community of likeminded people and businesses that understand the struggles of our Canadian youth and want to make a difference. I am writing today to ask for your help and support by purchasing a table or sponsorship package for this year's Sam's Butterfly Ball. With your help, we will fund Canadian youth mental health initiatives to help ensure our kids are not battling alone.

Thank you for your time, we hope you join us!

Brad Mason
