

**Next Gen Ball Hockey Tournament
September 20, 2024**

The Next Gen Ball Hockey Tournament took place at Riverview Community Centre on September 20th, bringing together industry members for a day of competition. This first-ever ECAM vs. MCAM tournament featured 8 teams from MCAM and 5 from ECAM.

The day kicked off with coffee and donuts, creating a lively atmosphere. For lunch, attendees enjoyed empanadas and churros from the Churro Stop food truck and refreshing beers from Low Life.

A DJ kept the energy up throughout the event.

After many games, the Midwest Engineering team (Midwest Tropics), won on the MCAM side, while McCaine Electric (Sparkyz), took the title for ECAM. In the final match, McCaine Electric representing ECAM secured the championship, capping off an exciting day.
