

**Chat & Cheers with ECAM  
October 8, 2024  
Steinbach, Manitoba**

On October 8th, ECAM's Social Committee travelled to Morden to engage with fellow industry professionals. "Chat & Cheers" served as a networking initiative aimed at facilitating connections among professionals across different cities in Manitoba, allowing them to familiarize themselves with the association's work, member benefits, and establish relationships.

The venue for the event was Rendezvous Taproom & Brewery where attendees enjoyed locally crafted beer and pizza.

The gathering offered a valuable platform for interacting with contractors and associates from various parts of Manitoba.
