

ECAM PRESIDENT'S SPECIAL NOTICE

Paul Shack-
President, ECAM
Board of Directors

Paul Shack has been a driving force behind the advancement of ECAM since 2020. With over 20 years of industry experience, Paul has risen through the ranks to become Vice President of Operations at Nor-Tec Group Ltd. From beginning as a level 1 apprentice, he has worked his way up the ladder as a Journeyman, Site Foreman, Superintendent, Project Manager and Operations Manager within Nor-Tec Group Ltd. Paul Shack has played a pivotal role in advancing the adoption and effective implementation of BIM practices within the construction industry. Alongside his professional accomplishments, Paul actively participates as a Social Committee member.

Permits Online Improvements

City of Winnipeg's Planning, Property & Development Department (PP&D), Development and Inspections Division, has announced improvements to Permits Online.

Contractors can now:

- Apply and pay online to become a new City of Winnipeg licensed contractor
- Register for electrical or plumbing contractor exams
- Manage people associated with an existing contractor licence
- Apply for permits and manage active permits and applications online
