

ECAM PRESIDENT'S SPECIAL NOTICE

Paul Shack-
President, ECAM
Board of Directors

Paul Shack has been a driving force behind the advancement of ECAM since 2020. With over 20 years of industry experience, Paul has risen through the ranks to become Vice President of Operations at Nor-Tec Group Ltd. From beginning as a level 1 apprentice, he has worked his way up the ladder as a Journeyman, Site Foreman, Superintendent, Project Manager and Operations Manager within Nor-Tec Group Ltd. Paul Shack has played a pivotal role in advancing the adoption and effective implementation of BIM practices within the construction industry. Alongside his professional accomplishments, Paul actively participates as a Social Committee member.

Apprenticeship Manitoba – Technical Training Registration Update

Apprenticeship Manitoba has announced that technical training registration for the 2026–2027 intake will open **May 1–14, 2026**. These registrations are for classes scheduled between **August 1, 2026 and March 31, 2027**.

Apprentices and employers are encouraged to review full details, including course offerings and registration information, on the official Apprenticeship Manitoba website.

Key Preparation Steps for Apprentices

Apprentices are advised to prepare in advance by:

- Discussing training plans with their employer, including eligibility for EI during training
- Reviewing the upcoming course schedule and Trade Registration Table
- Ensuring access to their AccessManitoba account (or creating one if needed)
- Reviewing updated personal contribution fees and refund policies
- Contacting their Apprenticeship Training Coordinator with any questions

Registration is only available to apprentices not currently attending or enrolled in a course. Apprentices may register for the next level once their current training is complete and results have been submitted.
