

Terms & Conditions

Terms of Use and Disclaimer **LEGAL NOTICE**

(Please read carefully before using this site)

The Electrical Association of Manitoba (EAM) website is provided by EAM. By using this site, you signify your agreement to the terms and use and provisions, which may change from time-to-time in this legal notice. **If you do not agree to them, do not use this site or download materials.**

The EAM site contains information, text, photographs, designs, graphics, images, sound and video recordings, animation, and other materials and effects that are protected by copyrights, trademarks, service marks, trade dress, or other intellectual or proprietary rights owned by EAM and/or other third parties. The information, content, or advertisements (collectively, the “Materials”) on the EAM site, are provided for your review for individual or internal business purposes. Any other use of the EAM site or the Materials is strictly prohibited, including without limitation, modification, republication, deletion, transmission, public performance, distribution, proxy caching, uploading, posting, reproduction, redistribution, or any other dissemination without the express written permission of EAM, or the applicable rights holder. The materials on the EAM site may not be used by third parties for telemarketing, direct marketing, and commercial mass email, or by agents or representatives or email spammers. All trademarks and copyrighted information contained herein are the property of their respective owners.

Any permitted use of the EAM site does not extend to using the website, Materials, Services or Products for any illegal purposes, or to transmit to or through the EAM site, or through any Service, any illegal, harmful, threatening, defamatory, obscene, hateful or other objectionable material of any kind, or to interfere with, abuse or otherwise violate the legal rights of any third party using the EAM site, Materials, Services or Products.

EAM encourages you to exercise discretion while browsing and/or using the EAM site or services contained herein. EAM, through its EAM website, makes no representations concerning any endeavor to review the content of sites listed in any of the Materials and does not represent or endorse the accuracy or reliability of any of the Materials contained on, distributed through, or linked, downloaded or accessed from any of the services contained on this website (the “Service”), nor the quality, safety, performance or suitability of any products, information or other materials displayed, purchased, or obtained by you as a result of an advertisement or any other information or offer in or in connection with the Service (the “Products”). Ensure that you completely understand the risks before using these products. All third party products must be ordered directly from the vendor, and all licenses and warranties, if any, take place between the purchaser and the vendor. EAM also does not make any

representations regarding the availability and performance of its website. You hereby acknowledge that any use of the EAM site, reliance upon any Materials and any use of the Internet general shall be at your sole risk and that EAM shall not be liable for any loss of data, lost profits, or any other damages or losses resulting from such use.

EAM makes every effort to ensure the information presented in, on or through its websites, including EAM, is accurate. However, because EAM also communicates information provided by third parties such as individuals, corporations, industry associations, publishers, marketing agents, and resellers; EAM has no control over the accuracy of such information and makes no guarantee as to such information, and is not responsible for the information, including its accuracy, currency, content, quality, copyright compliance or legality. If an error is found, EAM is not responsible for the results, or any loss or damage which may result from such a mistake.

This Service and the Materials are provided by EAM on an "as is" basis and as available, without any warranty or representation of any kind, whether express or implied. EAM expressly disclaims any and all warranties of merchantability and fitness for a particular purpose, with respect to the Service or Materials and Products.

In no event shall EAM be liable for any compensatory, direct, indirect, incidental, consequential or punitive damages, loss of data, income or profit, loss of or damage to property, or any claims of third parties what so ever with respect to the service, the Materials and the Products regardless of the legal theory on which the claim is based, including without limitation, any damages that result from any mistake, omission, virus, delay or interruption in operation or service or failure of performance, whether or not resulting from an Act of God, communications failure, theft or unauthorized access to EAM or EAM records. EAM shall not be liable for any losses or damages what so ever resulting from any failure of the internet.

Some regions do not allow the exclusion or limitation of liability of consequential or incidental damages, so the above exclusions may not apply to all users. In such states, liability is limited to the fullest extent permitted by law.

All of the data on Products and Services, including but not limited to, the prices and the availability of any product or service or any feature thereof, is subject to change without notice by its provider. EAM reserves the right, in its sole discretion and without any obligation, to make improvements to, or correct any error or omissions in, any portion of the Service or the Materials. EAM intends to update information listed on EAM where appropriate, but shall not be liable for any inaccuracies.

All communications, messages and other materials transmitted to this site and EAM will be treated as non-confidential and non-proprietary, unless otherwise specified. All such communications, messages and other material shall become the sole and exclusive property of EAM. EAM shall not be obligated under any circumstances to provide compensation for submission of ideas, suggestions or comments of any kind. EAM shall be free to use such information on an unrestricted basis.
