

It was a "live wire" crowd at the ECAM Industry Dinner!

Guests enjoyed an evening celebrating the rebirth of ECAM at the Millennium Centre that was the previous home of the Canadian Imperial Bank of Commerce. As attendees floated through the door they were greeted with a glass of prosecco and were welcomed by fellow association members. As they stepped into the grand Celebration Hall, guests were able to soak in the scenery filled with gold accents and extraordinary marble detailing featured throughout this stunning event space.

2000 Amp sponsors were invited to an intimate wine tasting in the Tapestry Room, the lavishly decorated former bank manager's office. Here, they tasted exclusive wines hand-picked by a sommelier from the Pourium. One special detail of this event was the specialty sponsored bars that featured a variety of cocktails throughout the evening including Caesars, boozy coffee, old fashions, Grey Goose martinis and brandy. Safe to say that thirst was thoroughly quenched that evening!

Dinner was a succulent meal from WOW Catering including prosciutto wrapped prawns, king salmon and beef tenderloin with glazed carrots and fingerling potatoes and a delicate pavlova for dessert. Quite the satisfying meal! The main event of the evening was the Killer Keys, a dueling pianos show offering a unique "by-request" experience. The two talented musicians had attendees on their feet, requesting songs and singing along to classic medleys and anthems of our time.

Huge thank you to our sponsors and guests who were integral to the success of this event. We hope to see you all next year for an even bigger event!
