

The ECAM Industry Gala held on November 10th at the Fort Garry Hotel was an enjoyable evening of exquisite dining, networking and entertainment. The event began with a VIP wine tasting exclusively for the 2000 Amp Sponsors. The hotel's in-house sommelier guided guests through a unique wine experience centered around the theme of "rarity," showcasing wines that are uncommon and some that may never be produced again.

As attendees entered the event, they were welcomed with glasses of prosecco and immersed in the beautifully decorated crystal ballroom. The four-course dinner started with a delightful combination of soup and salad, followed by a mouthwatering main course featuring pork tenderloin, and finished with crème brûlée.

ECAM's Social Committee chose a selection of wines to pair nicely with dinner. Additionally, a specialty cocktail, the "Cider and Stormy," added a unique touch to the celebration. The band, "Men in Cheap Suits," played a variety of hit tunes from various decades which livened up the dance floor.

Huge thank you to our sponsors and guests who were integral to the success of this event. We hope to see you all next year for an even bigger event!
