

December Board of Directors Meeting Highlights

The ECAM Board of Directors is comprised of a cross section of Industry members; residential, industrial, commercial, urban and rural, sub-contractors, engineers and associate members. The Board meets monthly September through June and is served by standing committees, advisory councils and working groups.

Apprenticeship - Supervisor 1:1 Ratio

During the 2023 Provincial Election, then Candidate, Wab Kinew, announced the NDP's intent to restore the 1:1 Apprentice to Journeyman Supervision ratio. In anticipation of Government considering such a change, the ECAM Board of Direction further considered the association's policy statement regarding Supervision Ratio. The amended statement reads, "ECAM recognizes the diversity of the Electrical Industry. The Association supports the current ratio as regulated."

Terry Henry, ECAM President

Terry began his apprenticeship in 1970 as an electrician and only 8 years into his career founded Wescan Electrical. Since then, Wescan has grown into a dynamic, multifaceted company offering construction services such as mechanical, security, data communications, prefabrication, and CAD & BIM modelling. Terry has demonstrated his vision by implementing leading-edge industry technologies and building a strong team of highly skilled and experienced professionals.

Through his 52 years in the construction industry, Terry has been involved with some of Manitoba's most iconic buildings and infrastructures, such as the MTS Centre (Canada Life Centre), Canadian Museum for Human Rights, Manitoba Hydro Place, and True North Towers. Terry values giving back to the community through charity work, support groups and associations that contribute to excellence. Terry is a highly valued member of the Manitoba's Electrical Industry and in 2022 was elected as ECAM's President of the Board.
